

# SAY HELLO TO WAYMO

WAYMO

Thursday, February 15, 2018  
12:00 - 1:00 pm

[College Avenue Commons \(CAVC\) Room 459 \(Parking\)](#)

**Timothy Papandreou**  
Strategic Partnerships Manager  
Waymo

### About the Talk

Waymo's mission is to bring self-driving technology to the world, making it safe and easy for people and things to move around. We believe our technology can improve mobility by giving people the freedom to get around, and save thousands of lives now lost to traffic crashes. Come learn about our journey from our beginnings, how our technology works, and our early rider program in the Phoenix Metro area.

### About the Speaker

Timothy is a key thought leader on the future of transportation, with a strong track record to build cross-functional teams to deliver innovative multi-modal transportation projects. Timothy's current role is Strategic Partnerships Manager at Waymo. As the former Chief Innovation Officer for San Francisco Municipal Transportation Agency, he led the teams on the USDOT Smart City Challenge, the agency's strategic work plan that met its 50% private auto/50% sustainable mode share goal 3 years early and the Vision Zero traffic safety program. A graduate of UCLA, he received several awards for his pioneering car sharing thesis and data visualization work.

Refreshments provided by Graduate & Professional Student Association (GPSA). Event is open to the public.
